## **THE CANADIAN MINERALS AND METALS PLAN STAKEHOLDER WORKSHOP**

**at the Prospectors and Developers Association of Canada  
International Convention**

Federal, provincial and territorial governments are developing a plan to establish Canada as the undisputed global mining leader and to ensure that mining continues to drive our country's socio-economic growth.

**We want your ideas on how we can build  
on the success of Canada's mining sector.  
*Let's get the conversation started!***
