

35

YEARS OF
INNOVATION

SINCE 1987

Actlabs Mexico Zacatecas

Started operations in 2010, ISO certified, offering full-laboratory services:

- **Sample Preparation**
- **Au and Ag Fire Assay**
- **ICP-OES for Aqua Regia and 4-acid Digestions**

Sample Preparation

To obtain meaningful analytical results, sample preparation must be performed properly.

We use cleaner sand between each sample at no cost.
