

FOR THE ***DRILLER***

DIMATEC CUSTOM TECHNOLOGY

WHAT EXPERTS SAY ABOUT DRILLER'S PROJECT

- “ | It's a good feeling knowing that we are really helping our customers. We have solutions that make a difference. It's about working together.
- José, Business Development
- | Over 30 years of experience in diamond impregnated matrix development. We know how to make the best bit for your project.
- Arjun, Engineer, PhD Materials Scientist
- | New customers are signing on every week. Driller's project is so much more than bits, it's an experience.
- Melanie, Business Development.
- | We did this for the drillers. To raise the bar with customized technology, and share the cost of discovery.
- Brian, Business Development.
- ”
